

GRADUATE ENGINEERING DEVELOPMENT PROGRAMME

OVERVIEW

Aurex Constructors is inviting candidates that have recently graduated with a qualification in Construction Management and are interested in participating in our Graduate Engineer Development Programme in 2023/2024. Successful candidates will participate in an Aurex development programme aimed at preparing them for a career in the Construction Build Environment within our operating sectors. This could entail being deployed at various work sites around South Africa during the programme.

MINIMUM REQUIREMENTS

- ^ Completed, BTech from a University of Technology, BSc/BEng in Construction Management or BSc (Hons) Quantity Surveying.
- ^ Must be a SA Citizen.
- ^ Must have own transport.
- ^ Preference will be given to applicants who are local in Secunda.
- ^ Must meet the medical requirements to be able to work in the Oil and Gas industry.

ADDITIONAL REQUIREMENTS

- ^ Excellent communication skills in English.
- ^ Ability to work in a team.
- ^ Must be computer literate.
- ^ Willing to work long hours.
- ^ Willing to work in other locations around the country.

ADDITIONAL INFORMATION

Company	Aurex Constructors
Location	Secunda, South Africa
Duration	2023/2024

COMPANY INFORMATION

At Aurex we value the dynamic element of diversity and embrace the different perspectives everyone brings to the business. We appreciate the authenticity that each individual contributes as we create an inclusive working environment where everyone brings their whole selves to work every day. As we strive to be an employer of choice, we ensure that our employees are fairly treated. We promote physical and mental health for everyone. At Aurex, our people matter.

In terms of our Employment Equity policy, preference will be given to applicants who are disabled or from a previously disadvantaged background. If you have not heard from us within 30 days of your application, please regard your application as having been unsuccessful.

To apply please forward your CV to midrand.recruitment@aurex.com
