

MECHANICAL GRADUATE ENGINEERING DEVELOPMENT PROGRAMME

OVERVIEW

Aurex Constructors is inviting candidates that have recently graduated with a qualification in Mechanical Engineering to participate in our Graduate Engineer Development Programme for 2023/2024. Successful candidates will be part of an Aurex developmental programme aimed at preparing them for an Engineering career in our environment. This will entail being deployed at various work sites around South Africa for the duration of the programme.

MINIMUM REQUIREMENTS

- ^ Completed National Diploma Engineering, BTech from a University of Technology or BSc/BEng in Mechanical Engineering.
- ^ Must be a SA Citizen.
- ^ Must have own transport.
- ^ Preference will be given to applicants who are local in Secunda.
- ^ Must meet the medical requirements to be able to work in the Oil and Gas industry.

ADDITIONAL REQUIREMENTS

- ^ Excellent communication skills in English.
- ^ Ability to work in a team.
- ^ Must be computer literate.
- ^ Willing to work long hours.
- ^ Willing to work in other locations around the country.

COMPANY INFORMATION

At Aurex we value the dynamic element of diversity and embrace the different perspectives everyone brings to the business. We appreciate the authenticity that each individual contributes as we create an inclusive working environment where everyone brings their whole selves to work every day. As we strive to be an employer of choice, we ensure that our employees are fairly treated. We promote physical and mental health for everyone. At Aurex, our people matter.

In terms of our Employment Equity policy, preference will be given to applicants who are disabled or from a previously disadvantaged background. If you have not heard from us within 30 days of your application, please regard your application as having been unsuccessful.

To apply please forward your CV to midrand.recruitment@arex.com
